

**Lake Report**

**Date** \_\_\_\_\_

*We invite each lake association representative to present a 60-second summary of **one conservation success and/or one challenge**. We realize that you would like to discuss and network with lake associations and others who have similar issues. **Chart Paper is provided for you to share contact information with each other over specific issues.***

*Please use this form to prepare your report. Leave the completed form with FOVLAP at the end of the day. Thank you!*
