

Document Guide – Files on vermontlakes.org website

LH_Presenter_Manual.pdf

Informative write-up and guidance document for presenter. At least one copy should stay with the display. Feel free to disperse.

LH_Case_Setup.pdf

Photo-guided setup of littoral habitat module case and accessories.

LH_Component_Cards.pdf

These stay with the display. These can be talking points to cue the presenter, or be placed in front of display guide someone viewing the case if not being presented. On the back side of the cards are photo examples of aquatic animals that use the habitat.

LH_Organism_Cards.pdf

Stays with display – these are to pass out to audience during presentation, and collected at the end

LH_How_Vegetated_Buffers_Protect_Lakes.pdf

This 11x17” small poster can be put up on the unit if it’s being left as an unattended display.

LH_Buffer_Widths_and_Benefits.pdf

These handouts are used to guide the post-presentation discussion and give the attendees information to take with them.
