

2017 Lake Report

*We invite each lake association representative to present a 60-second summary of **one conservation issue**. We realize that you would like to discuss and network with lake associations and others who have similar issues. **Chart Paper is provided for you to share contact information with each other over specific issues.***

Please use this form to prepare your report. Leave the completed form with FOVLAP at the end of the day. Thank you!

Lake/Pond: _____

Representative: _____

E-mail address: _____

Phone number(s): _____

Mailing address: _____

What is the issue?

Who is involved?

How is the issue currently being addressed?

What are your association's hopes for the future regarding this issue?

How might FOVLAP and the DEC Lakes & Ponds Section support your efforts?
